## Welcome to the wonderful adventure of Spiritual Growth Groups!

In 1931, Edgar Cayce's friends and family asked him how they could become psychic like him. Out of this seemingly simple question came an eleven year discourse that led to the creation of *A Search for God Book 1* and *Book 2*. From his altered state, Cayce relayed to this group that the purpose of life is not to become psychic, but to become a more Spiritual and loving person. This group was the first "Study Group" that used the material from these special readings in order to change their lives for the better.

When *Book 1* was published in 1942, Study Groups began gathering together to study and learn this valuable material. Today, *A Search for God* Study Groups remain active all over the world.

We encourage you to officially affiliate with the A.R.E. The affiliation form is available online – [EdgarCayce.org/regroup](http://EdgarCayce.org/regroup) or by calling the number below. Once your group is affiliated, the contact person will receive a group identification number.

This will allow your group to be included on our website and/or our internal database so that those seeking in your area will be directed to your group. Group members will also receive special discounts on Study Group books, including *A Search for God, Book 1* and *2*.

You will also automatically receive periodic mailings from the A.R.E., which may include newsletters, resource materials, and notifications of up-coming programs and events in your area that may be of interest to your group members.

Thank you for your interest in beginning a new study group. Our goal is to help you succeed in establishing and nurturing a new group of seekers on the spiritual path. Please call me with your questions, concerns, and suggestions.

In Service,

Karen Boldt
